WELCOME TO BLUEBELL VIEW

Bluebell View is a purpose built, luxury care home in a peaceful area of Oswestry, Shropshire, combining beautiful accommodation and state-of-the-art facilities with specialist care across our Wisteria (residential), Edelweiss (residential dementia) and Lavender (nursing) communities.

Life at Bluebell View

Bluebell View provides a variety of communal areas for residents to relax, dine and socialise, including a number of comfortable lounges and modern dining rooms. We also have a beautiful garden for relaxation or alfresco dining, accessible by many of our ground floor bedrooms. All of our tastefully decorated ensuite bedrooms come equipped with a flat screen TV, Wi-Fi access and telephone points so that residents can keep in touch with loved ones.

A HOME TO MAKE YOUR OWN

Bluebell View residents benefit from a wide variety of activities, from exercise classes in the Sundew Lounge, to a pampering session in our beauty salon. Others may prefer a peaceful afternoon in the reading room, or catching up in the Tudor-inspired bar and lobby area. Our community focus extends beyond the walls of Bluebell View with regular trips to nearby beauty spots.

The Kindest Possible Care

We understand that each individual has different needs, which is why our personalised care plans are designed to reflect the unique requirements and preferences of each resident. Our team take the time to discover what really matters to each person and help our residents to build a routine that truly reflects this.

We look forward to welcoming you
